A Christmas Message from Fr Colin

Dear Friends,

2020 has been a difficult year for us all. Last year we could never have imagined that we would face a lockdown with our Churches closed. What a blessing the livestreaming has been in keeping us in touch. The important message to share with all people in the Christmas season is that our faith gives us hope. Let us pray that 2021 will bring a sense of normality back into our lives and that we can return to supporting each other when we come to Mass. In the meantime, we continue to hold each other in our prayers. I wish you all a very happy and blessed Christmas and New year. *God Bless, Fr Colin*
